Good Afternoon Freddy,

Haven't heard from you since January 30, 2009 concerning our email which listed the 10 items that still need to be taken care of. It has been 65 days since our visit with you, we still haven't seen any activity on the first 7 items. Also item number 8 was suppose to occur on or before 90 days, which is only 25 days from now. Since we have a payment due to your facility on March 1st, I hope to receive item number 8 soon.

Please keep us updated.

Thanks,
