Freddy,

Where are you, we haven't heard from you for a long time. We also heard a rumor that you no longer work for Playa Grande and you're now in Puerto Vallarta. From the last information you provided us, you still haven't finished our account and cleaning up our items, copy attached.

We are now 140 days into the 180 days where you stated both our properties will be liquidated. Attached is our original list of 10 items, so far after 150 days (almost 5 MONTHS) not 1 of the items have been completed, we can't understand why, we believed you and thought you were a very upstanding honest person, we hope you don't disappoint us, the first 7 items should have been completed MONTHS ago. Please update us on the status, with only 40 days (a little more than 1 MONTHS) left time is running out and haven't heard from you for almost 2 months, on March 4, 2009.
